Chart: lowest 10 questions

4. Course-level insights

Average rating by course

Average Rating by Course

5. Recommendations for organizers

- Prioritize root-cause analysis for low-rated questions and run small focus groups to understand specific issues driving dissatisfaction.
- Design targeted action plans for the bottom 3 questions, such as faculty development, improved communication, or clearer course outcomes.
- Celebrate and document practices behind the top-rated questions and courses, then replicate these across weaker areas.
- Share this dashboard with course coordinators and review trends after the next feedback cycle to track improvement.
